

Three voices, bouzouki and guitar. A full Greek night of kefi, dance and kapsoura, the heartbreak songs everyone knows by heart.

THE NIGHT EVERYONE SINGS ALONG

In Greek, *kapsoura* is the burning, can't-sleep kind of love. It is also a whole genre of songs: Pantelidis, Remos, Protopsalti, Karras, Mitropanos. KAPSOURA brings three familiar faces of the Greek music scene together in a new line-up, built for one thing: a packed room singing every chorus, then dancing until closing time.
